Looking for a Church Home?

Introducing Ourselves

It's Sunday morning. Possibly you are just waking up around 9 am. You might have things to do around the house today, or you might be headed for a day trip with your family or your friends. Then, looking out your window you notice the neighbour's family jumping in the van and heading out already. Ever wonder where they're going?

Quite possibly to the Providence Canadian Reformed Church. We have families spread across the west mountain of Hamilton. We're a thriving new church that includes not only families, but people from all ages. We're eager to introduce ourselves **to you**. Perhaps you're looking for a church home. We warmly invite you to check us out.

What You'll Find

- Expository gospel preaching from the Bible
- Historic Protestant teachings such as:
 - The doctrine of the Trinity: God is three persons (Father, Son, Holy Spirit) in one being.
 - Salvation by grace alone through faith alone in the Saviour Jesus Christ alone
 - The Bible as the only authoritative guide for faith and life
- The teaching of a comprehensive Christian worldview
- A passion for evangelistic outreach and mission
- Reverent, Bible-saturated, God-centered worship

The Providence Vision

We aim to preach and witness to the good news of Jesus Christ through the power of the Holy Spirit, first among ourselves, and then through the communities in which we have been placed by our Father's providential hand.

We rely entirely on the almighty God's grace and power. With his help, we endeavour to make this vision reality through the following:

- **Magnifying** Jesus Christ in public worship, particularly in our administration of the Word and sacraments
- **Moving** congregation members to maturity and ministry within our church community
- **Moulding** congregation members into active witnesses to our neighbours and the nations
- **Motivating** our youth to an active interest and involvement in mission inside and outside our own community
